

USB-C Portable Wireless Power Bank 10000mAh For Mobile Phone Charging

Our Product Introduction

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Autige
- Certification: CE, ROHS, FCC-ID
- Model Number: AT- WC19
- Minimum Order Quantity: 2PCS
- Price: \$13.00/pieces 100-199 pieces
- Packaging Details: Gift Box
- Delivery Time: 7-15days
- Payment Terms: T/T, Paypal, West Union, L/C
- Supply Ability: 3000pcs per day

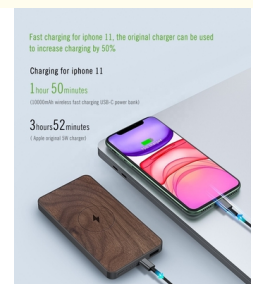

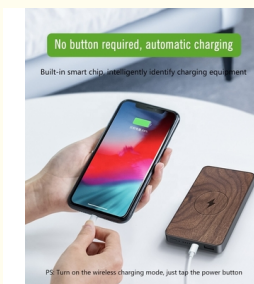

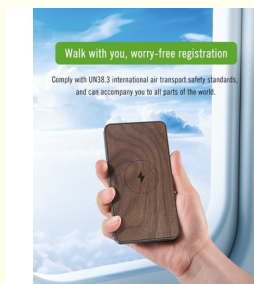

Product Specification

- Output Interface: USB/MICRO USB
- Input Interface: Usb, TYPE-C
- Function: Quick Charge Support, Wireless Charging, Charge Mobile Phone
- Type: Ultra Slim, Fast Charging, Power Station
- Battery Type: Li-Polymer Battery
- Weight: 350g
- Protection: Over-discharging, Short Circuit Protection, Over-charging, Low Tension
- Product Name: Power Bank
- Color: Customer's Chioce
- Material: Aluminium Alloy+Wood
- MOQ: 100 Pieces
- Keywords: Power Bank Portable
- Battery Capacity: 10000 MAh
- Suitable For: Mobile Phone

Wired and wireless charging anytime, anywhere

Product Description

10000mAh USB-C Wireless Charging Power Bank For Mobile Phone Charging Convenience

Technical Parameters		Material	Package
Material:	Wood+Aluminum Alloy	USB-C Wireless Charging Power Bank	Carton size: 140*80*14mm
Power:	10W/18W		QTY/CTN: 40PCS
Input:	5V/3A;9V/2A 12A,1.5V		
Certificated:	Qi ,CE,ROHS		Accessories
Charging Distance:	2-8mm		1 x Wireless charge 1 x USB Cable 1 x instruction book
conversion:	≥75%		
Dimensions:	138.5*73*12.8mm		
Net weight:	250g		
Battery Type:	Polymer		
Color:	wood		

DESCRIPTION:

1. 100% brand new and high quality.
2. Suitable for most of phones and tablets(Please make sure your device have wireless charging function).
3. With non-slip silicone for stable placement of your device.
4. Adopts smart identification system, just put down to charge.
5. Short-circuit protection of the receiver to avoid overcharge & overheating, security and reliable.

Detailed Images

Two-way flash charge

USB-A interface

18W

FCP/QC output

Fast charge mobile phone, tablet

USB-C interface

18W

QC/PD output

18W

QC/PD input

Fast charging power bank

Fast charging for iPhone 11, the original charger can be used
to increase charging by 50%

Charging for iPhone 11

1 hour 50 minutes

(10000mAh wireless fast charging USB-C power bank)

3 hours 52 minutes

(Apple original 5W charger)

Gently put, wireless fast charge

No need cable, **10W MAX** wireless fast charging for mobile phones, compatible with most wireless charging devices, also charged with a case

iPhone 11
2 hours 40 minutes full

Xiaomi 9
1 hour 50 minutes full

≤5mm
Sensing distance

Simple and thin, easy to carry

The thickness is only **12.8mm**

Aluminum alloy frame, not only better protection, but also brings a sense of fine quality

Product name:	Super fast charging wireless power bank
Battery type:	Polymer
Battery capacity:	10000mah/ 3.7A (37Wh)
Locking capacity:	5920 mAh
Input:	5V/3.0A; 9V/2A; 12A/1.5A
Output1:	5V/2.4A; 9V/2A; 12A/1.5A
Output 2:	5V/2.4A; 9V/2A; 12A/1.5A
Wireless output:	5W/7.5W/10W
Dual port output:	5V/3A
Product size:	138.5*73*12.8mm

Caring about your charging safety

Intelligent automatic power-off,
smart chip, protect the battery,
automatic power-off protection,
prevent overcharge

Wired fast charging is more compatible

Android, iPhone, tablet can be charged

Compatible with QC3.0, PD3.0, Huawei FCP,
Samsung AFC, MTK PE, Apple and
other mainstream fast charging protocols

PS: Support wired/wireless simultaneous charging

Small body, with huge power

10000mAh large capacity, battery life increased 10 times

Capacity upgrade

≈ 2.5 times
for iPhone X charging

≈ 2 times
for Xiaomi 9 Charging

≈ 2 times
for Huawei Mate 20 Pro

PS: The above data is theoretically calculated data, actual use will slightly deviate depending on the situation

Our Service

About the custom design cases

Except for the marble, we also can do other materials you want, such as PMMA/Wood/PVC/Fiberglass, and so on. Also we can make all kinds of molds of plastic for you.

After-sale services

About after-sale services of the cases: If you aren't satisfied with the cases, you can return to us after we know the reasons. And if there is a quality problem with our case, we are willing to supply it to you for free.

Packaging & Shipping

We usually use air transportation, or we can choose transportation according to your arrangement.

Company Profile

Our company is a comprehensive high-tech enterprise specialized in designing, producing and selling creative wood and bamboo technology products, and over 10 years' experience in bamboo and wooden industry.

Our factory covers an area of 3,000 square meters, has advanced equipments, computer system, CNC machines, engraving machines and cutting machines. We specialize in the production of bamboo and wooden cases for iPhones and Samsungs, Wooden Bluetooth speaker, Wooden sunglass, Wooden watch, Wooden phone holder, Wooden box, Wooden wireless charger, phone case etc.

And each product will be 100% QC before shipment. Our company can work out a new product according to your idea, artwork or samples. OEM and OEM are welcome.

Exhibition

FAQ

Q:What types of wood can I choose?

A: We currently offer the following types of wood: Walnut wood ,Cherry wood,Bamboo and Rose wood etc.

Q:Can I get a sample before mass production?

A:Yes,We are honored to offer you samples for quality check.

Q:What is your minimum order quantity(MOQ)?

A:The MOQ is 1 to 100 pcs as different products, the MOQ is different.

Q: What's your best price?

A: Our products have a quite wide price range for different types and different quality requirement. so contact us freely, we will be happy to give you a quotation upon receipt of your detailed requirements.

Q:When is the delivery time?

A:It depend on your order quantity and the product model,the delivery time will be different. Generally 3 to 10 working days after confirm the payment.

Q:How could I pay for my order?

A:Our payment term are T/T Transfer,Alibaba secure payment, Paypal.

Q:Quality?

A:We have QC department,all products will be 100% inspected one by one before shippment. Each procadures are implemented strict quality management.
